

# PUBLIC MEETING #2 – BROAD RIVER BASIN PLANNING

## Agenda

1881 Event Hall  
805 Spartan Boulevard  
Spartanburg, SC 29301

November 9<sup>th</sup>, 2021, 6:00 – 8:00 pm

1. **Welcome and Why We Are Here** – Ken Rentiers, SCDNR, Deputy Director of the Land, Water & Conservation Division

*Why is water planning important to all South Carolina citizens?*

*Where are we in the planning process, how did we get here, and where are we going?*

2. **Comments from State Water Planning Process Advisory Committee (PPAC)**

*PPAC members will share their perspectives on State water planning.*

3. **Broad River Basin Planning** – Scott Harder, SCDNR, Hydrology Section Chief

*What is a River Basin Plan and how will the Broad River Basin Plan be developed?*

4. **Next Steps for Broad River Basin Planning** – Scott Harder, SCDNR

*What is the schedule for planning activities in the Broad basin?*

*How can stakeholders apply to be on the Broad River Basin Council?*

*What are other ways stakeholders can be involved?*

5. **Comments and Questions (PPAC Panel Session)**

*Let us hear from you. SCDNR and PPAC members will address any comments or questions about the Planning Framework and Broad basin planning activities.*
